

Partnership Summary of Warranties

Meyer Burger Warranty:

For all modules, we offer an industry-leading warranty package under German law. Our modules come with standard product guarantees of 25 years (glass-foil) or 30 years (glass-glass). In addition, we guarantee reliable and stable performance for decades: that performance for all modules will still be at 92 percent after 25 years. For our glass-glass modules, we even guarantee over 93 percent after 30 years. Click [HERE](#) for full warranty.

Span:

Each Span Panel is warranted at the original address of installation to the original purchaser (and to each subsequent authorized owner of the original address of installation, who provides proof of ownership) defects in materials and workmanship for a period of ten (10) years (the "Warranty Term"). The Warranty Term shall commence three (3) months after the product is shipped from Span, regardless of the date of installation. Click [HERE](#) for full warranty.

Tesla Powerwall:

(1) Your Powerwall will be free from defects for ten years following its initial installation date; and

(2) Your Powerwall will have an energy capacity of 13.5 kWh on its initial installation date, and will retain energy capacity as shown in the table below. Click [HERE](#) for full warranty.

Application	Energy Retention	Operating Limitation
Solar self-consumption or time-based control, and backup	70% at 10 years following initial installation date	Unlimited cycles
Any application not listed above, or any combination of applications that includes one not listed above	70% at 10 years following initial installation date	37.8 MWh of aggregate throughput

Provia:

Lifetime Limited Transferable Warranty. Click [HERE](#) for full warranty.

Ring:

When you purchase a new or Certified Refurbished Device, we warrant the Device against defects in materials and workmanship under ordinary consumer use for one year from the date of original retail purchase. During this warranty period, if a defect arises in the Device, and you follow the instructions for returning the Device, we will at our option, to

the extent permitted by law, either (i) repair the Device using either new or refurbished parts, (ii) replace the Device with a new or refurbished Device that is equivalent to the Device to be replaced, or (iii) refund to you all or part of the purchase price of the Device. This limited warranty applies, to the extent permitted by law, to any repair, replacement part or replacement device for the remainder of the original warranty period or for ninety days, whichever period is longer. All replaced parts and Devices for which a refund is given shall become our property. This limited warranty applies only to hardware components of the Device that are not subject to accident, misuse, neglect, fire or damage from other external causes, alteration, or repair. Click [HERE](#) for full warranty and optional extended warranty.

Solar Edge:

This SolarEdge Technologies Ltd. Limited Warranty covers defects in workmanship and materials of the below-listed products for the applicable Warranty Period set out below (the "Products") Click [HERE](#) for full warranty:

Power optimizers: 25 years commencing on the earlier of: (i) 4 months from the date the power optimizers are shipped from SolarEdge; and (ii) the installation of the power optimizers, provided, however, that for the module embedded power optimizers (CSI and OPJ models), the Warranty Period shall not exceed the maximum of (1) the module product warranty and (2) the module power warranty periods provided by the applicable module manufacturer.
